- ♦ The edited paper should be submitted for publication on or before 15th Feb 2025.

# ABOUT COUNCIL FOR TEACHER EDUCATION FOUNDATION (CTEF KERALA )

The Council For Teacher Education (CTE) was founded by a great visionary in the field of Teacher Education, Dr. Gulab Chaurasia, in Bhopal, Madhya Pradesh in the year 1985 with the support of a handful of committed teacher educators in the country.

Right from its beginning, the Council has been serving for the cause of education with full devotion and determination. The growth of this organization during these years has been remarkably encouraging. Presently, this prestigious organization has more than 8000 individual life members spread across the nation and abroad. In 2019 a transition took place in the organization and CTE has registered and renamed as Council For Teacher Education Foundation (CTEF) India. The CTEF has at present 24 state chapters including UTs with a few international chapters. Present national level office bearers of CTEF are Dr KM Bhandarkar (President ), Dr V M Sasikumar , ( National Vice President - South ) , Prof Nillma Bhagabati (International Secretary General) and SD Singh (Treasurer).

CTEF Kerala Chapter commenced its function in the year 2000 under the leadership of Prof. Dr. K. Sivadasan Pillai. At present the Kerala Chapter has nearly 1000 individual life members and 45 institutional life memberships. Many State awards were instituted as incentives to life members and institutions under this chapter. Present State Level Office bearers are Dr. M.S. Geetha (Chairman ), Prof. ( Dr). Nimmi Maria Oommen ( General Secretary ) and Dr Premachandran K. (Treasurer).

## ABOUT THE COLLEGE

Buddha College of Teacher Education, Muthukulam was established in 2005 under T.K.Divakaran Memorial Charitable Education Trust. The College was accorded recognition by NCTE and affiliated to the University of Kerala. The Buddha College of Teacher Education has been an explorer and discoverer in Teacher Education, able to lead this backward remote coastal area to pursue the new world of knowledge and striving something novel in order to emerge as a centre of academic excellence. Nestled in the serene coastal remote village in the backdrop of Alappuzha, the college offers B.Ed, M.Ed and D.El.Ed programs. Buddha College of Teacher Education has been imparting quality education with an aim to promote global perspective and help teachers to be an embodiment of efficiency, expertise and creativity with transformational motive.

## CONFERENCE OVERVIEW

Buddha College of Teacher Education, Muthukulam, Alappuzha is organizing a two day International Conference on 31st Jan and 1st Feb 2025 on the theme Education 6.0 : A Paradigm Shift in Ed-Tech and Maker Knowledge in association with Council for Teacher Education Foundation Kerala. Education 6.0 represents a groundbreaking vision that redefines the future of learning by integrating six foundational pillars: Leadership 6.0, Knowledge 6.0, Skills 6.0, Industry 6.0, Manufacturing 6.0 and Entrepreneurship 6.0 By emphasizing these areas, we address the critical components of future education that are often overlooked. The Conference prepares the academicians to navigate and thrive in a rapidly changing world by focusing on visionary leadership, future-ready skills, modernized industries, smart innovation and disruptive thinking.

## OBJECTIVES OF THE CONFERENCE

- To dwell into the symbiotic relationship between man and machine.
- To harness the advent of creativity, problem solving and innovation in the wake of Education 6.0.
- To explore the integration of advanced technologies and to focus on ethical and sustainable practices.
- To foster an environment that encourages continuous learning, interdisciplinary collaboration and ethical decision making.
- To propose solutions to overcome challenges in technology adoption.
- To encourage cross border partnerships and exchanges between researchers, educators, industrialists and policy makers to share best practices and insights on the role of technology in education.
- To ensure inclusivity and equity in the context of New Age Technology.
- To explore the transformative nature and possibilities of a relevant, impactful and inclusive education within the Context of Education 6.0.
